

About the Program

- **Use real-world exercises** to build a **comprehensive** vendor management program to take back to your institution.
- **Become a trusted expert** in vendor management in the eyes of your auditor or examiner.
- **Develop a clear understanding and confidently implement** a vendor selection and review process.
- **Comply with FFIEC** external dependency management guidelines.

Who Should Attend

This seminar is designed for information security officers, auditors, IT managers, compliance officers, security officers and operations officers.

What You Will Learn

- Vendor Breaches, Laws, and Regulations
- Information Security Program and Risk Management
- Selection of Vendors
- Ongoing Vendor Management
- Creating a Dynamic Vendor Management Program
- Contract Structuring
- IT Audit and Exam Preparation

Testimonial

"The SBS Institute's Certified Banking Vendor Manager Certification exceeded my expectations for continued education. The course enhanced my knowledge of the regulatory requirements and expectations for third party vendors and offered logical solutions to develop effective due diligence, monitoring and audit processes to effectively manage third party vendors. I gained a better understanding of how to tailor internal audits to fit the size and complexity of my bank."

-Kelly Hoeven, Bank of Glen Ullin

Seminar Location & Schedule

Location: Courtyard by Marriot
3319 N 14th Street
Bismarck, ND (701) 223-6667
