The Tao of Ta-Da:
Watch What Happens When
Work Becomes Play

FEATURED PRESENTER: Joel Zeff

An Invitation

Judd Graham
Chief Executive Officer
Bremer Bank, Fargo

Greetings:

NDBA's Group Meetings provide a special opportunity to visit with regional bankers, share a great meal and hear the author of one of the top work/life balance books on Amazon, Joel Zeff.

This is the perfect event to attend as a team. Enjoy an evening of learning how to celebrate everyday successes to increase collaboration, productivity, passion and innovation. You will laugh, learn and leave inspired!

If you enjoy hitting the links, there is also an optional golf event during the day. Many NDBA business partners help sponsor the Group Meetings and participate in them as well, always grateful for the opportunity to connect with so many bankers.

I look forward to serving as NDBA Chairman this year and hope to see you the week of September 9-12.

**The Tao of Ta-Da: Watch What
Happens When Work Becomes Play**

We've all witnessed the excitement of a three-year-old child. They celebrate finding a ladybug. They celebrate drawing a flower. Somewhere along the way, too many adults lose this sense of excitement about our lives and our work. Our tanks are empty.

Learn how to appreciate the value of fun in the workplace and learn how to make the simple choices to have more fun and increase passion and success.

7:30 – 7:45 p.m.
